

NOW AVAILABLE

Complete Paint Removal Test Patch Kit

Are you prepared?
Do you have the tools
necessary to land that
large stripping project?
Well Dumond® has
your solution!

Because every stripping project is different, it is critical to perform a test patch (mock up) on any and all areas that need to be stripped to ensure that you have the correct product for your project. Therefore, we have created this **Complete Paint Removal Test Patch Kit** with everything necessary to help you accomplish this task with minimal effort and **maximum results**. (This kit includes 16 oz. sizes of our **Peel Away® I**, **Peel Away® 7**, **Smart Strip™** and **Smart Strip™ Pro** along with everything necessary to complete a successful test patch and land the job.)
